### **Ela Smallacombe**

"I have been so blessed to meet so many wonderful people and leaders at The Creek. Coming from a household that wasn't raised in church and trying to discover my faith, one Sunday my friend Grace and I came to a service and fell in love. I serve on the guest services team and hang out at Next Steps where I can and greet and help everyone that walks in the door!"

### **Lincoln Powell**

"The Creek Church is where God saved my life, transformed my faith, and has drawn my heart to ministry. Without our church, I wouldn't be the man that I am today."

**Somerset Campus**

### **Sandy Buckner**

"Coming to The Creek has changed my life and now my family is coming with me."

**Williamsburg Campus**

### **Terri Mooney**

"The Creek has opened up my life, it's just amazing now. Because God has just come into my life. I have never been happier in my entire life. So many prayers answered... I cannot thank The Creek enough for accepting me, for bringing me to God - it's just been amazing!"
