OUR CULTURE

“We” Is Greater Than “Me”

God wants to do greater things through us as a staff than he does through us as individuals. We were not meant to follow Jesus alone, and we aren't meant to lead others to follow Jesus alone. We collaborate as a team, and are open-handed with our information and resources. We only succeed individually when we support one another in our collective efforts to create environments that lead others to Jesus.

We Can't Stay Here

God's desire for His church is growth. God's desire for us is the same. For us to be on mission, we should be constantly learning and growing. This applies to us as individuals and to our staff as a whole. We welcome feedback, because we value progress in our jobs, in our personal lives, and in our spiritual lives.
